ISO 9001:2015 Certified Training Institute

## Our Accreditations

## ABOUT US

Gulf CPR Training Institute is a dynamic provider of HSE training programs with a reputation for integrity, quality and value, with a focus on quality training to various organizations in and outside Kuwait. Established in 1996 with the aim to conduct courses on Health, Safety, Environment and Management we became the pioneers in this field in Kuwait.

Ours is a professionally managed and leading Training Institute in the State of Kuwait, accredited and recognized by **The Public Authority For Applied Education and Training (PAAET)** and **Kuwait Petroleum Corporation (KPC)**. We are also approved Authorized American Heart Association (AHA)-USA Training Centre in Kuwait and accredited center by CIEH (UK), IOSH (UK), NSC (USA), Highfield (UK), etc.

Over the past 27 year we have trained thousands of candidates from various sectors including Oil and Gas, Healthcare, Construction, etc. with a very good evaluation from the participants.

## **OUR MISSION**

We are dedicated to promote and enhance health, safety and environment and reducing injuries, accidents and environmental impact and ensuring compliance. We have achieved this by providing high-quality, flexible, tailored training and education solutions designed to educate, inspire and motivate community to reach and achieve your goals and aspirations.

## **OUR VISION**

To become a leading training center in the region providing effective & quality services in occupational health, safety, environment & related disciplines and to train AHA, Medical and HSE courses to all healthcare providers, companies and communities in Kuwait.

## **OUR INSTRUCTORS**

Our instructors are our most important and valuable asset. We have more than 80 certified and Authorized Instructors in Kuwait for all discipline of courses. They are certified professionals in their respective subjects. Their skills, knowledge, behavior and ability to communicate are the key to deliver a better learning experience for our clients. Our professional team of experienced trainers deliver effective training with group discussion and activities in order to make the day both interesting and rewarding.

## **OUR TRAINING FACILITIES**

We have at our center 6 training classrooms, which are fully equipped with all necessary training equipments.

## **ISO 9001:2015 QUALITY MANAGEMENT SYSTEM**

Gulf CPR Training Institute has been awarded the ISO 9001:2015. Receiving the ISO is a proof of the sustainability of achievements accomplished throughout the past years for the quality services given to our clients and the increased level of client satisfaction, as well as adopting and enhancing the best international practices and procedures.

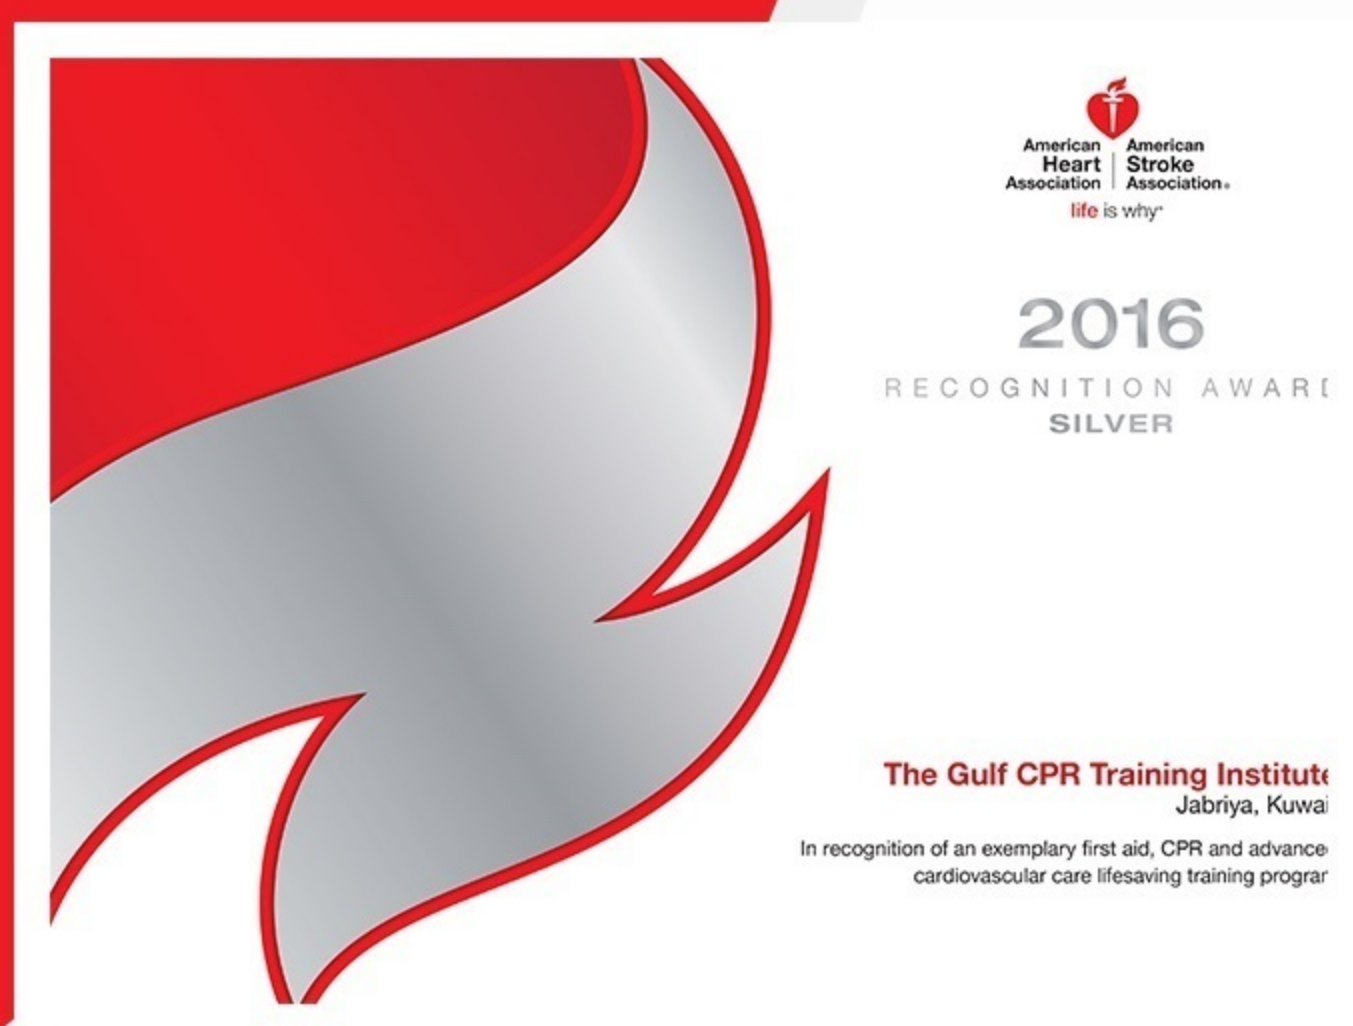

## WHY IS GULF CPR TRAINING CENTER THE LEADING AND PREFERRED MEDICAL AND SAFETY TRAINING CENTER IN STATE OF KUWAIT?

- We have more than 27 years of training experience.
- Our instructors are well experience and certified /authorized .
- We provide very competitive quotations.
- Our courses are internationally recognized.
- We deliver consistently high quality services.
- All medical courses are accredited with CME points from KIMS (Kuwait Institute for Medical Specialization).
- The only center in Kuwait who received SILVER award from AHA (American Heart Association) for 4 successive years **(2014, 2015, 2016 & 2018)**.
- Well equipped training facilities.
- We can conduct multiple sessions simultaneously.
- Our AHA and safety courses are video-based instructor led and practice while watching.
- We respond promptly to customer requests.
- We offer quality, high powered, interactive safety and environmental training programs.

## AHA SILVER AWARD

One of The 24 AHA International recognition award winners among 800 AHA International training centers across the globe except USA and the only training center in Kuwait who received this outstanding recognition from **AHA for 4 years (2014, 2015, 2016 & 2018)**.
